

## Online Directory Listing Information Release Form

One of the benefits of your WECA membership is a free listing in our online Membership Directory, located on our website at [www.goweca.com](http://www.goweca.com). WECA lists all of its contractor members in the directory at no charge, including the company's logo, website and a message (up to 80 words) to let visitors to the website know what type(s) of work the company does, the areas the member company serves and who to contact for more information. The purpose of this feature is to allow potential customers looking for a contractor to browse through the WECA online Member Directory to find a contractor that fits their needs.

To take advantage of your company's free listing in the WECA Member Directory and would like to do so, please return this signed form by fax to (916) 452-7011 and then send the following information to Christine Hauser at [chauser@goweca.com](mailto:chauser@goweca.com):
